

CAT REHOMING APPLICATION FORM

Our chief concern at Shelter for abandoned animals of City of Zagreb, Dumovec is that the cats should go to permanent homes where they will be happy and well cared for, for the rest of their lives. Ali the cats are here because their owners couldn't, or more often wouldn't, care for them. Our first duty is to the cat and we hope to match each cat to a suitable owner. This is why we require all prospective owners to answer the following questions and give as much information as possible before selecting a cat.

PLEASE NOTE!

The cats are the property of Shelter for abandoned animals of City of Zagreb, Dumovec and are rehomed at our discretion. We can refuse to rehome a cat without giving a reason and cannot accept responsibility for the temperament or behaviour of any cat after rehoming. You have to be 18 years or over to rehome a cat.
